**Resole & Recork:** includes new outsoles and new cork on all visible surfaces as needed, cork sealant, and light upper cleaning.

**Recraft:** our most popular repair, send us your really tired Birks, where the only thing left are the straps that have all those years of character, and we'll put them back on a new footbed, new outsoles, seal the cork, lightly clean the uppers, and get them back where they belong on your feet!
